

KYAMI DISTILLERY

# KYAMI - GIN -

MADE IN ZAMBIA

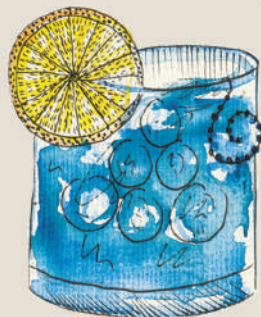

## Masau & Kyami Old Fashioned

Kyami's twist on a timeless classic. A hefty double shot, enriched with the warm, earthy body of Zambian Masau, over ice.

## Classic Kyami & Tonic

Crisp, clean. African Juniper and mango leaf, with a whisper of spice and a twist of citrus. Unmistakably, refreshingly Zambian.

## Kyami's Musekese Gin Sour

A Herby Kyami with a silky shake of lemon juice, egg white, and a dash of sugar. The Musekese Gin Sour is bright, wild, and full of character.
